BREAKER OF ETERNITIES 02: VALIANT DEST

BAKER, Richard

Shaken by the death of a dear friend. the crew of the Aquila frequently need to rescue their companions from various encounters. Acquittal means life and death. So help it. the crew discover they are not alone in the universe. Having a chance to escape. But. in order to be free. they must also to free the entire universe. And in order to do so. they must find a way to stop the Alliance. But it doesn't end there. If it doesn't end well, it could have dire consequences on their lives (or worse). And, incidentally. on the force itself. They will be inextricably linked to each other. and to the fate of the universe. But they are not alone. They have allies. And they have enemies. And they have a mission.
The return of the famous shared-world superhero books, created and
published by Warner Bros. The experience of living in a world
where one’s every action has consequences, where stories are
never truly over, and where the fate of the world rests in your
hands. For as long as Molly Southbourne
exists, there is always something to
fight for. Whatever she does, whatever
she experiences, she knows that it is
up to her to make a difference. And in
the midst of it all, there is beauty and
timeless tales that have always found a place in our hearts. Now,
newly updated and revised, this collection of stories, novelettes,
and vignettes continues to captivate and inspire readers of all
ages.

THE RITUAL

Nwali, a young Nigerian woman, is about to enter a sacred
rite of passage...a spiritual quest that will test her will, her
faith, and her very identity. In a time of political and
religious upheaval, Nwali must confront her fears and
beliefs in order to find her place in the world. Her journey
is fraught with danger and uncertainty, but it is also one
of self-discovery and enlightenment. With the help of her
guide, a wise and ancient spirit, Nwali learns to trust her
instincts and embrace her true nature. In the end, she finds
the strength to overcome the challenges that lie ahead and
emerges as a powerful force for change.

THEY SEEM TO BE TALKING

This collection features stories by some of today’s
most acclaimed authors, including...a
young woman who discovers a
mysterious object that alters her
perceptions of reality. And a
journey into the heart of the
unknown, where the only thing
for certain is the unknown itself.
