All the books in this catalogue are new books due for release in January 2012
Because they are new books, we are at the whim of the publishers and to some extent the shipping companies - books can sometimes arrive later (or earlier) than anticipated, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books, and prices are subject to change without notice.

Please reserve copies of anything you want so you don't miss out - ASAP!
If a book has sold out by the time we receive our order, we will back-order and supply when available.
Pulp Fiction has access to thousands of books not shown in our monthly catalogues. We are only too happy to order anything if we don't have it on catalogue.
