Science Fiction & Fantasy - Catalogue

Includes new books by: Wesley Chu, Miranda Grant, Peter F Hamilton, N K Jemisin, Mercedes Lackey, L E Modesitt Jr, Mike Shepherd, David Weber, Connie Willis ...and many others.

All the books in this catalogue are new books due for release in October 2016.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies—books can sometimes arrive later (or earlier) than we expect, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Price subjects are to change without notice.

Please reserve copies of anything you want so you don’t miss out – ASAP!

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books. We are only too happy to order anything if we don't have it on our premises. If a book has sold out by the time we catalogue it, you can post, phone, or e-mail us to reserve a copy and we will hold it for you.
