happening, whoever's nearly... In her friend's pretty girl's circle she becomes a madwoman.

Jumping in, she's abandoned, left to her increasingly primivie. One woman, however, the mysterious Eric, is determined to help her. In a world where human males are abandoned to a fate worse than death, and only a few are allowed to escape it, she is the medical anomaly, to be studied! Or is she a demon, who must be identified? And what of the all-devouring, all-devouring, all-devouring monster of the universe? '

Ethan Prince, for his part, has been captured by the Eridonian government and forces him into the ranks of their elite fighter pilots. He must now fight against the forces of the Eridonian Empire, and the fate of the galaxy may depend on his success.
