Includes new books by: Donna Andrews Christopher Fowler Kerry Greenwood Jane Harper Susan Hill Joe Ide Donna Leon Ian Rankin Amy Stewart — and many others.

All the books in this catalogue are new books due for release in October 2018.

Because they are new books, we are at the whim of the publishers and, to some extent, the shipping companies — books can sometimes arrive later (or earlier) than expected, or on a different financial price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of any product you want so you won't miss out — ASAP!

If a book has sold out by the time we receive your order, we will back-order and supply, when available.

Pulp Fiction has access to thousands of books not shown in our monthly catalogue. Ian Rankin
