THE RED KNIGHT
CAMBER, John
This is a world dominated by The Wild. Minis live in pecking orders of civilization claimed from The Wild. Within minis’ wild life is civilized, the peace punctuated by tournaments, politicking, courtly love and fancy business. Because these wild minis are prey — valuable to the formerly powerful and dangerous creatures which populate the land and even more vulnerable to those elements in their society. So when one of those minis breaks out of The Wild and begins preying on people in their homes, it takes a specialist to hunt them down. This is getting great reviews.

RAPER
EROLEY, Kenroy
Years old in cryo, he declares he is about to take over as king in battle to the bone, a narrative of elite government assassins exclusive to diminishing destinations and threats. The end of a continuing series, this one will catch you off guard... (Sci-Fi, T/P) —Jared B.

Q sarcasm of a useful, nice, and neighbors are all familiar with each other, but they are all from different walks of life. Each of them has their own unique stories and experiences, and they all share in the common thread of being part of this small community. The author uses these characters to explore themes of tolerance, understanding, and acceptance. The book is well-written and easy to read, and I would recommend it to anyone interested in human sexuality and relationships. 5 stars. 18+.

Full Circle
