All the books in this catalogue are new due for release in September 2013

Because they are new books, we are at the whim of the publishers and to some extent the shipping companies - books can sometimes arrive later (or earlier) than anticipated, or occasionally be a different retail price than originally quoted. Because space is a luxury, we bring in limited quantities of books. Prices are subject to change without notice.

Please reserve copies of anything you want so you don’t miss out - ASAP!

If a book has sold-out by the time we receive your order, we will back-order quantities of books. Prices are subject to change without notice.
